## Business and Finance Internships in London

**Trip Name:** Business and Finance Internships in London    **Trip Code:** UKIF    **Duration:** From 6 weeks

### Key Facts

London is a city of many faces. A hub of global business and finance, a magnet for the creative sector and the home of many NGOs. For centuries London has attracted the best and brightest from all over the world. Our program offers successful applicants an outstanding internship in the sector of their choice, any time of the year.

Working abroad shows an independent attitude, a clear drive to succeed and an impressive cultural sensitivity. Interning in London offers applicants an amazing opportunity to gain vital work experience and industry exposure, develop extensive networks and experience the best of what this great capital city has to offer.

The London internship program provides you with all the stability and support necessary to ensure that your experience is fruitful and rewarding. Quality accommodation, all your travel in London, cultural and social events, professional training and 24/7 full-time local support are all included along with your London internship.

### Overview

**Advised experience/ qualifications:** University students/graduates/postgraduates or those with a keen interest in business, finance and/or entrepreneurship. A degree is not essential, but it will help when finding a suitable placement. You should have a confident and determined personality, excellent communication skills and the ability to work effectively in a small team. In addition, we value academic excellence, the ability to think outside the box, cultural sensitivity, open mindedness and an international outlook.

**Nationalities:** This programme is open to all nationalities (subject to visa requirements) with the exception of UK residents.

**Typical Hours:** Monday-Friday; 7-8 hours per day.

**Remuneration:** Unpaid position.

**Please note: Our UK internships are not available to UK applicants.**

## Destination Info

## Itinerary

We work with some of the largest companies in London through to medium sized businesses and exciting entrepreneurial firms.

The world is becoming ever more globalized and frontiers between countries are dissolving in the modern era. We are proud to place our participants in exciting roles, ranging from sales and marketing and Public Relations to HR and head hunting, logistics, financial forecasting and business development.

Finance is one of the most competitive industries. In a world ever more globalized, flows of money into investments of different asset classes are at unprecedented levels. Mirroring the flow of money is the flow of talent. Top graduates from around the world covet slots with the world's leading financial institutions. An internship with a top company is now a pre-requisite for this high-octane world. In London, we offer opportunities in financial analysis, financial modeling, company research and business consultancy.

We offer internships in some of the most exciting start-ups in the world in sectors including: technology; marketing; think tanks and social entrepreneurship. As winners ourselves of the entrepreneurship competition at the 2012 Summit of the Americas, attended by Heads of State including Barack Obama, our links are exceptionally strong in the start-up sector.

Start-ups offer a very different career path from typical corporate careers, but offer some of the most exciting opportunities available for the most ambitious. We have a wide variety of internship roles helping first-class entrepreneurs in different stages of growing their businesses. From building a new brand's image through developing an international business strategy and assisting with pitches for money raising, you'll have the opportunity to learn first hand from the business leaders of tomorrow what it takes to build a successful company.

# Business and Finance Internships in London

An exclusive and unique component of our programs are the professional development resources that provide tailored and structured training to enhance your skills and knowledge in order to get the most out of your internship and prepare you for a successful future career. Our resources include communication and leadership workshops, an online professional development tool and expert training materials.

The type of work you will be doing during your internship will vary hugely according to the company and organization in which you are placed. When you apply, we will talk through your preferences, motivations and future career aspirations to ensure that we have a clear understanding of what you are looking for from your placement. If you should have any special requirements, we will take these into account when arranging your internship.

In the 21st century London finds itself the headquarters to many of the world's most important companies. The largest city in Europe and by far its biggest economy. A mesmerizing mix of culture, architecture, global cuisine, fashion, nightlife and business. This is a city that has it all!

Stand on the Millennium Bridge at night and see the skyscrapers of the City of London, set against the backdrop of St Paul's Cathedral. Walk the streets of Westminster where the politicians battle one another in the Houses of Parliament just next-door to Buckingham Palace.

Explore the East End, the coolest nightlife zone in Europe, where fashion trends are set and followed the world over. This is a city where potential is realized. This is a city where individuals flourish.

# Business and Finance Internships in London

Our London full-time team is incredibly proud of the city and they want to show you why! From organizing your airport pickup to arranging your accommodation, they will ensure you have everything you need for your arrival to help you settle in to this great city and feel at ease. They will also provide you with your welcome package and your pre-loaded London transportation card.

Our team will show you the best that London has to offer. The internship program includes the following events, free of charge to all participants:

- Afternoon Tea Service
- A River Thames lunch boat cruise
- A West End theatre night

In addition to these free events, we also organise regular optional trips to museums, cinemas, bars, restaurants and other must-do activities in wonderful London as well as trips to other beautiful cities in England such as Brighton and Bath.

At all times of the year we have large numbers of talented participants on our programs from all over the world. You will immediately become part of an international community, providing you with friends and networks to last a lifetime!

## Step 1: Application

To apply for this internship we ask you to either call us or apply online using the link below. When you apply we

will request information on your emergency contact details, passport number and your health background and other important information. At this stage a deposit payment is requested, this deposit is non-refundable, unless your application is declined by our team in London.

- A completed application form (provided upon deposit payment)
- Current CV /resume detailing your work and study history

Note: If your internship is part of your university course, and requires accreditation this can easily be arranged. We request a letter from your tutor supporting your application for an internship.

## **Step 2: Telephone/Skype interview with our Internship Coordinator**

Once we have your application pack we will contact you to arrange an informal interview with our internship coordinator who will be your main contact before you leave for London.

## **Step 3: Accepting the placement**

We will send you a formal offer letter for you to sign, along with a clear summary of the types of roles you will be involved with during your internship.

## **Step 4: Interview with your host company**

Your internship coordinator will arrange a date and time for an interview with your host company.

## **Step 5: Payment of full program fees and sign placement description and agreement**

At this stage we will help you to organise a suitable visa to enable you to work in London.

## **Accommodation**

During your placement you have the opportunity to experience London life first hand and in the company of students from around the world. We offer high quality shared student accommodation and you can choose between a private or shared bedroom (sharing with one other person) in a self-catered student apartment.

All accommodation options are of high quality and are situated in good, safe areas within London. Our apartments have been carefully selected so that a commute to work will not exceed 45 minutes door to door. Unlimited travel on London's Tube (subway/metro), buses is included in the price of the program to give you the opportunity to explore this amazing city.

## **Programme Services and Facilities**

All participants on our London internship programmes will receive a public transit card for the full duration of their stay. This will be valid throughout the whole of central London and can be used on buses, the London underground and trains to travel free of cost at any time.

## **Meals**

Meals are not included in the program price. The accommodation provided is self-catering.

## What's Not Included

- Your travel to London
- Your meals and personal expenses while on the program
- Visas (if applicable)
- Travel insurance

## Is This Trip For You?

This program is an investment in your future and will give you a substantial advantage over your peers. An international work placement will significantly aid you when searching for long-term employment. Previous interns have also received full time offers of employment from their host companies in London upon the completion of their internship. And the above doesn't even touch on your personal development and the fun you will have!

We accept applications on a rolling admissions basis for internships throughout the year. All applications must be in at least 6 weeks before the programme start date. We operate on a first come first serve basis so we encourage early applications.

All students who are accepted into our program are provided with our **full money-back guarantee**. This means we promise to place you in an internship with a company you approve of or you will receive a full refund if you decide not to proceed. Our moneyback guarantee ends once you have formally accepted the placement after your telephone or sykpe interview with the host company.

## FAQs

- 1. Are these internships paid?**

Our mission is to facilitate internship opportunities for international students. Whether these internships are paid or not is down to each specific placement company.
- 2. Why should I join this programme?**

This program is an investment in your future and will give you a substantial advantage over your peers. An international work placement will significantly aid you when searching for long-term employment. Previous interns have also received full time offers of employment from their host companies in London upon the completion of their internship. And the above doesn't even touch on your personal development and the fun you will have!
- 3. I am from the UK - can I still apply?**

Unfortunately we are unable to accept applications from UK residents.
- 4. When is the deadline to apply?**

We accept applications on a rolling admissions basis for internships throughout the year. All applications must be in at least 6 weeks before the programme start date. We operate on a first come first serve basis so we encourage early applications.
- 5. Do I need a degree to apply for an internship?**

No. A degree is not essential, although will help when finding a suitable internship and will make the placement process easier.
- 6. Can I see a list of employers?**

After you have applied we will provide you with a full list of opportunities in your sector.
- 7. What hours can I expect to work?**

Typically, participants work an average week of no more than 40 hours. The company at which you are interning will set your work hours but the majority of internships will take place between 9 am and 6 pm.
- 8. Can I obtain academic credit?**

All participants will be able to obtain academic credit if necessary via our partner university.
- 9. When should I apply?**

You should apply at least 6 weeks before you wish to begin your internship in London. However, we strongly encourage early applications in order to avoid disappointment, our internship placements are on a first come first serve basis.
- 10. Is attendance at our events mandatory?**

All of our events and activities that we organise are optional, but your job is not. With your internship placement, you may not miss work for any reason other than health and family emergencies unless previously approved by both our in country directors and your employer.
- 11. Can I live at a relative's house and take the housing out of the cost?**

We are generally unable to remove any elements from our All-Inclusive program to reduce the cost. The employers we work with depend on this service, in turn making you more reliable. However, if you have

# Business and Finance Internships in London

particular needs please do contact us.

## Support & Advice

Your safety is paramount which is why all our programs have been visited and assessments have been conducted to ensure any major risks have been minimized.

In addition, you will have access to a 24 hour emergency contact number so you can contact one of our staff at any time should you need to. In addition our overseas partners and coordinators are on hand in-country to assist you.

## Financial Security

We know that the last thing you want to worry about when you're planning your trip of a lifetime is whether your money is in safe hands. As a leading global gap year provider it's our job to make sure your finances are secure, so when you book with us you can be confident that we do just that.

Real Gap Experience is part of TUI Travel Plc, one of the largest travel organisations in the world, and these days in the travel industry, large means secure.

## Insurance

Whether you're traveling for two weeks or two years, trekking the Amazon in Ecuador or on safari in Africa, insurance is an essential part of your adventure and will help you enjoy your travels, secure in the knowledge that you have the protection you need. In fact, everyone traveling with us must have adequate cover before their trip begins.

Of course you are free to buy insurance from any provider, however at Real Gap Experience, we have partnered with World Nomads to offer policies that have been specifically designed to meet the needs of global travel. If you think you're already covered by an existing policy, such as those offered by credit card providers, check the policy wording very carefully to ensure it covers you for your Real Gap Experience.

For more information on travel insurance please contact us to speak to one of our travel advisors.

## Money Matters

The currency in the UK is the Pound Sterling (GBP; symbol £), which is subdivided into 100 pence. Coins come in denominations of 1, 2, 5, 10, 20 and 50 pence and 1 and 2 pounds. Notes come in denominations of 5, 10, 20, 50.

Most major credit cards such as American Express, Diners Club, MasterCard and Visa are widely accepted. ATMs can be found throughout the country though may charge a transactional fee for using an international card.

Meal, Inexpensive Restaurant £10  
Domestic Beer (1 pint) £3.60  
Coke/Pepsi (0.33 litre bottle) £1.80  
Water (0.33 litre bottle) £1.00

(Prices quoted in GBP)

## Passports and Visas

All nationalities require a full passport that must be valid for 6 months beyond the intended length of stay. It is your responsibility to have the correct personal documents and to obtain your own visa, if one is necessary, in accordance with the regulations of the country you are to visit. The information offered below is to help you with that process. We are not responsible for the actions of local immigration and customs officials, whether at points of entry or otherwise, and any subsequent effects.

Please note this programme is only available to Australian citizens.

To take part in this programme you must have a visa allowing you to work in the UK. If you are between 19 and 30 years of age you can apply for a Youth Mobility Tier 5 Visa. If you are 31 or over you must be able to apply for an ancestral visa or hold an EU passport.

## Vaccinations & Health

Travel health can often be something people forget about before going away, but a little preparation and knowledge can go a long way to help you stay fit and healthy while abroad. The risks to your health whilst travelling will vary depending on your general health and the type of activities you are going to be partaking in and the length of your stay.

Since we are not medically qualified, it is recommended that you consult with your Doctor or a recognised Travel Medical Advisory Service who will assess your particular health risks before recommending vaccines and/or anti-malarial tablets and advising you on what precautions you should take.

## Weather

The UK climate is diverse and constantly changing, so much so that you could experience four seasons in one day! During the summer, temperatures can reach 20-25 degrees centigrade, whilst in the winter months it is not uncommon for temperatures to drop below freezing. Rainfall in the UK varies depending on the location, typically the northern regions and the moors of the south-west experience the highest average rainfall.

## Time

The UK is 8 hours behind EST.

## Electricity

Electricity in the UK uses 230 volts, 50Hz. Outlets across the UK accept the following plug type;

Three flat pins

## Trip Note Disclaimer

The information contained in this trip note has been compiled with great care and is provided in good faith. Any itinerary featured is correct at time of release. However, our itineraries may change as we make improvements that result from travellers' comments, our own research or from time to time as a result of recommended travel advice.
