### Itinerary

# East Coast Tour Sydney to Cairns

## Day 1 - Sydney to Surf Camp

Our journey will start bright and early Real Gappers, as we depart Sydney via the Harbour Bridge and begin our trek northwards along the Pacific Highway. On the way to the surf camp we head into the Australian wine region of the Hunter Valley. Experience pressing grapes by foot (seasonal) and wine tasting before we head for our surf retreat at Crescent Head, to surf to our heart's content!

(Dinner included)

## Day 2 - Surf Camp to Byron Bay

This morning we hit the beach again for an early morning surfing sesh, and then we'll carry on up the coast. We'll check out Coffs Harbour, the Banana growing capital- before heading up to Byron Bay, Australia's most easterly point. Renowned for its awesome surfing beaches, beautiful rainforests and eclectic lifestyle, Byron Bay oozes a relaxed vibe and is really popular with travellers.

(Breakfast and Lunch included)

## Day 3 - Byron Bay

A full day ahead to enjoy what Byron Bay has to offer. Famous for its great beaches and counter culture, there are plenty of optional activities on offer (at own expense) - try surfing, diving, sea kayaking or just chill out on the beach. The galleries and craft shops are also sure to fascinate, as are the many cafes and alternate cuisines that are available here. Take a great scenic walk to the lighthouse at Cape Byron where the views are breathtaking. So much choice!

(Breakfast included)

## Day 4 - Byron Bay to Gold Coast

Today we check out Springbrook National Park before we enter the sunshine state, Queensland. On the way we'll stop off at 'Natural Arch', a spectacular waterfall, and drive through Numinbah Valley and Nerang. We'll hit Surfers Paradise this evening- somewhere known not only for it's epic surfing vibe, but for it's great nights out too.

(Breakfast included)

## Day 5 - Gold Coast to Fraser Island

We arrive in Brisbane today for an included river cruise, the best way to experience the laidback vibe of the city, whilst taking in the captivating cityscape. Then we'll head off along the Bruce Highway bound for Fraser Island, the world's largest sand island! Watch the sunset as we enjoy dinner before resting up at our accommodation, set in a peaceful eucalypt forest.

(Breakfast and Dinner included)

## Day 6 - Fraser Island

Home to the Badtjala Aboriginal people for some 5000 years, this special place supports and extraordinarily diverse rainforest, wildflower heath, mangroves, birds and a now small population of dingoes. The island has dunes that reach 240m in height and about 40 dune lakes, around half the total number of dune lakes in the world. The best way to see this vast national park is with our included 4WD trip. We travel along Seventy-Five Mile Beach, so get your camera finger ready for the iconic Pinnacles' coloured sands and Maheno Shipwreck. We learn about the rich logging history amongst the ancient rainforest at the Central Station, and float our troubles away at the picturesque Eli Creek. There's an opportunity to try your hand at stand-up paddle boarding on the calm crystal clear waters of Lake McKenzie too!

(Breakfast and Lunch included)

## Day 7 - Kroombit Park

It's time to head out to the Outback! On our adventure, we're going to watch a goat rodeo, feast on a delicious camp, and if you're feeling daring- try your luck on the mechanical bull! The scenery is awesome, so remember to take your camera along for the ride.

(Breakfast and Dinner included)

## Day 8 - Kroombit to Emu Park

Goat mustering, horse riding, quad bike riding or trap shooting are just a few of the activities available this morning before we say bye! We make a stop in the beef capital of QLD – Rockhampton “Rocky” before making our way to our overnight accommodation - Emu’s Beach Resort, nestled in the casual stress-free coastal town of Emu Park. A perfect place to sit back, relax and take it easy. Maybe a walk on the beach is more your style or a dip in the resort pool. Tonight enjoy some local hospitality as we enjoy a seaside ‘Reef & Beef Dinner’!

(Breakfast, Lunch and Dinner included)

## Day 9 - Emu Park to the Whitsundays

Today we head off for the awe-inspiring Whitsundays- you're in for a real treat! We'll arrive in Airlie Beach, the heart of this thriving tropical paradise. The town overlooks the beautiful Whitsunday Passage and the 74 nearby tropical islands. If there's a heaven on earth, it's definitely in the Whitsundays so prepare to enjoy! The best way by far to experience this gorgeous region is onboard our yacht – your home for the next night!

(Breakfast and Dinner included)

## Day 10 - The Whitsunday Islands

Wake up in one of the many sheltered coves that make up the Whitsundays. You'll set sail for golden sandy beaches, snorkel over island coral reefs and soak up the sun in this beautiful part of the world. Tonight we'll stay on a stunning tropical island.

(Breakfast, Lunch and Dinner included)

## Day 11- The Whitsunday Islands

Today you'll have a full day to explore the Whitsundays. You could go for a hike along the scenic routes, kick back and relax on the beach/by the pool, or just take it easy- it's down to you. In the evening we'll have cocktails and canapes too!

(Breakfast included)

## Day 12 - The Whitsundays to Cairns

Early this morning we'll set sail for the mainland and the busy resort town of Airlie Beach. Bidding farewell to our new favourite part of the world, we'll head north via Townsville to Cairns. The final stretch of the Bruce Highway unfolds before us on our way to colourful Cairns.

(Breakfast included)

## Day 13 - Cairns (Great Barrier Reef)

Another highlight of the trip for sure, as today we'll explore the phenomenal Great Barrier Reef. We'll take the 'Passions of Paradise' catamaran cruise (optional) so we can get a closer look; you'll be able to snorkel here. We'll have a freshly cooked meal on board, and when we're back on mainland we'll head out for the evening!

(Breakfast and Lunch)

## Day 14 - Cairns

We'll end with a day to explore Cairns. There are optional activities you could do (white-water rafting, sky diving etc) or you could just chill out in the cafes or go shopping. Unfortunately it is time to say goodbye now though-time to take down the Facebook details of your new mates!

(Breakfast included)

## Passports and Visas

You should ensure that you have a full passport that is valid for 6 months beyond the intended length of stay. It is your responsibility to have the correct personal documents and to obtain your own visa, if one is necessary, in accordance with the regulations of the country you are to visit. The information provided below is to help you with

that process. We are not responsible for the actions of local immigration and customs officials, whether at points of entry or otherwise, and any subsequent effects.

All visitors to Australia need a visa – only New Zealand nationals are exempt, however you will receive a 'special category' visa on arrival.

For entry into Australia you will require an eVisitor visa. UK passport holders can apply for a 90-day tourist visa online at [www.immi.gov.au](http://www.immi.gov.au) All other nationalities should consult the relevant embassy.

If you intend to work after your week in Sydney you will be required to apply for a working holiday visa.

## Working Holiday Visa

To take part in this programme you will require a working holiday visa. The working holiday visa is available to anyone age 18-30. The emphasis is on casual employment: you are meant to work for no more than six months at any one job. If you want to stay in Australia for up to 24 months, this is now possible for some nationalities. Speak to one of our sales advisors for more information.

### To be eligible for a Working Holiday Visa, you must:

- Be aged between 18 and 30 years at the time of application
- Have a valid passport for one of the countries listed at Australian Immigration, [www.immi.gov.au](http://www.immi.gov.au)

For the most up to date information on visa requirements, please visit <http://www.immi.gov.au/>

## Cultural Considerations

Australia is a melting pot of different cultures. It has a population of over 21 million people with most of the population living on the east coast between Adelaide and Cairns. High waves of immigration from England, Ireland, Italy, Greece, Malta and Eastern Europe have occurred during Australia's brief history, particularly after World War II, and the later waves from the Middle-East, East, and South-East Asia, as well as the Indian subcontinent, have created a truly diverse population.

Although Australia has no official language, English is spoken by 80% of the population. Chinese, Italian and Greek are respectively the next most common languages, reflecting Australia's cultural diversity and concentration of nationalities. Australians have very strong attitudes and belief systems which are reflected in their culture. Australians traditionally have a very ironic sense of humour.

## Vaccinations & Health

Travel health can often be something people forget about before going away, but a little preparation and knowledge can go a long way to help you stay fit and healthy while abroad. The risks to your health whilst travelling will vary depending on your general health and the type of activities you are going to be partaking in and the length of your stay.

Since we are not medically qualified, it is recommended that you consult with your Doctor or a recognised Travel Medical Advisory Service who will assess your particular health risks before recommending vaccines and/or anti-malarial tablets and advising you on what precautions you should take.

## Safety

As in most countries there are people who try to take advantage of tourists. The following advice is intended to help you keep safe:

- Always keep your personal items such as passport, money and camera with you and in a safe place. You can buy mini padlocks to prevent people from going into your bag without your permission.
- Don't carry excess amounts of cash
- Wherever possible, walk around in groups, especially after dark, and avoid taking short cuts
- Do not pick up hitchhikers if you are driving and do not hitch hike yourself
- When you are out do not leave your drinks unattended, as there have been reports of drinks being spiked

We advise that you check your government's advice before travelling abroad. For UK and American customers please see the relevant links below;

UK: [www.fco.gov.uk](http://www.fco.gov.uk)

USA: [www.travel.state.gov](http://www.travel.state.gov)

## ATM Theft

It is very likely that you will need to withdraw cash at some point during your travels. Please be cautious when withdrawing money from an ATM and ensure that you are vigilant of other people near the ATM, especially those that offer unsolicited assistance if your card is detained. It has been recognised that individuals are operating unlawful withdrawals by placing 'traps' in ATMs whereby personal bank cards are being detained, causing the victim to believe their card transaction has not been completed, and leaving their bank card in the ATM which is then later retrieved by the thief.

If your card is confiscated or you are concerned that your card has been tampered with, please report immediately to the bank or cancel your card.

## Food & Drink

You will find food in Australia to suit all taste buds, with the larger cities in particular offering a great range of places to eat. Due to the large amount of British settlers, Australian food is reasonably similar to that in Western Europe, but if you are feeling particularly adventurous get involved in some bush tucker (kangaroo, emus) or the infamous vegemite. For less scary Aussie food, look out for fresh seafood and of course, a typical Aussie barbecue!

Please let Real Gap know before you depart if you are a vegetarian or have any other dietary requirements.

## Public Holidays

When planning your trip, you should be aware of the major national holidays celebrated throughout the country.

To view a list of the public holidays for Australia, please see the link below:

## Weather

Australia is located in the southern hemisphere, where seasons are the opposite of those in the northern hemisphere.

The summer months in Australia (November to March) can get very hot. Up north, in Queensland for example, the summer period brings the rainy season and the weather can be very hot and humid with lots of rainfall. The winter months (June to August) in Queensland bring much dryer weather but still heat. The further south you go the colder and wetter winter becomes and in some mountainous areas of New South Wales, Victoria and Tasmania skiing is possible.

## Time

Australia is such a big country that it has three time zones:

Eastern Standard Time (Queensland) – 10 hours ahead of GMT depending on Daylight Savings

Central Time – 9.5 hours ahead of GMT

Western Time - 8 hours ahead of GMT

## Electricity
