This tour has something for everyone!

Starting out on the North Island you'll get to explore the beautiful beaches Bay of Islands has to offer, explore geothermal Rotorua, Tongariro National Park and wander the streets of cosmopolitan Wellington. You'll then hop over to the South Island and the fun will begin all over again with visits to Abel Tasman National Park, Fox Glacier, Queenstown and stunning Milford Sound. We've got New Zealand covered!

### Destination Info

New Zealand has two main islands – North Island and South Island – which are very different in landscape and climate. Your adventure tour will give you the opportunity to explore both.

The North Island is where the major cities are - the capital Wellington and Auckland – 'the city of sails'. It's mainly

volcanic in origin with lots of seismic features such as geysers and hot springs.

The South Island is separated down its length by the Southern Alps, the highest point of which is Mount Cook (Aoraki in Maori).

The country has a landmass a little larger than the UK with a population of some four million. With 10 sheep to every person it's no surprise their major export is lamb! Despite the huge number of visitors travelling there every year, it's never crowded.

## Itinerary

### Day 1: Auckland to Paihia, Bay of Islands

Kio Ora! Today you'll leave the bright lights of Auckland behind and head north to the beautiful Bay of Islands - 144 islands, secluded bays and an abundance of marine life; this is the picture perfect New Zealand you've been dreaming about! The evening is spent at your own pace - relax by the pool, head into town for a meal, and most importantly get to know your new tour buddies!

There's an optional 'Rock the Boat' overnight upgrade where you spend the night sailing through the islands and stargazing from the deck.

### Day 2: Paihia, Bay of Islands

Today is a free day for you to explore the pristine area where there are loads of things to see and activities to take part in (at your own cost). Adventure lovers can catermaran along the inner bay looking for dolphins (NZ\$120), kayak through mangrove forests to the Haruru Falls (NZ\$85), or take a ride along 90 mile beach to Cape Reinga (NZ\$139). Get to grips with fascinating Kiwi history at Waitangi Treaty House to learn about New Zealand's past. In the evening you'll enjoy a delicious Kiwi favourite, fish and chips.

### Day 3: Bay of Islands to Rotorua

# New Zealand Experience

You'll go back to Auckland before heading on to Rotorua. This steamy thermal playground is renowned for its natural and cultural beauty and a distinct welcoming aroma in the air - breathe in that sulphuric goodness! Tonight you'll have the unique opportunity to stay in a traditional Maori Marae (sacred meeting house), so get ready for a spiritual evening of historical and cultural stories and learn local Haka and Poi dances.

## Day 4: Rotorua

Famous for its geothermal activity, Rotorua is full of geysers and thermal spa pools all waiting to be explored. There are loads of other activities too; hire a mountain bike or go white water rafting (NZ\$85). You'll experience a little bit of luxury tonight as you stay in Rotorua's largest hotel, right on the shores of beautiful Lake Rotorua and just a short stroll from the vibrant city centre.

## Day 5: Rotorua to Tongariro National Park

From one geothermal site to another, you'll stopover in the Taupo volcanic zone to explore the boiling mud and steaming waters of the Wai-O-Tapu region. There'll be the chance to visit Huka Falls and Lake Taupo, and there's loads of activities in the area to keep you busy. You'll then be taken to our alpine retreat in the amazing Tongariro National Park. Tonight we savour the flavours of our traditional Kiwi roast lamb dinner followed by the ultimate Kiwi desert, pavlova!

## Day 6: Tongariro National Park

You'll want to make sure you've had a good nights rest as today is your free day to explore the National Park- and there is loads to do. Hiking the beautiful Tongariro Crossing is a must or you can hire a mountain bike and even ski during the winter months. Later you can rest those sore feet as you have a relaxing evening in the spa pool and sauna at the accommodation.

## Day 7: Tongariro National Park to Wellington

Today you'll leave behind the great New Zealand countryside as you rock up in the capital city, Wellington. Considered by many to be the coolest city in the country, Wellington is jam-packed full of funky galleries, designer shops, top museums, great restaurants and stylish bars.

## Day 8: Wellington to Nelson

You'll trade North Island for South Island with a ferry through the picturesque Marlborough Sounds today. First stop, an included wine tasting session in the Marlborough region! This area has one of the world's greatest wine trails: fabulous wine, breathtaking scenery, a warm climate and relaxed people clustered in one small grape growing region. The vineyard we'll be visiting is family-owned and was one of the first vineyards to be set up in this area and the passion the staff have for all facets of wine making is truly infectious. You'll then continue on to Nelson, New Zealand's sunniest region, where you'll stay overnight.

## Day 9: Nelson (Abel Tasman National Park)

Today you can visit the nearby beauty of Abel Tasman National Park to hike the trails or take an optional ocean kayak trip. Other choices include horse riding, quad biking and many more. You'll finish the day off with a scrumptious local Kiwi BBQ.

## Day 10: Nelson to Christchurch via Kaikoura

Pass through the Rai Valley with stops in Blenheim, Ohau Point to spot fur seals and Kaikoura, with options to go whale watching or dolphin/seal swimming (summer only). Tonight you'll stopover in Christchurch, a city heroically rebuilding itself after the 2011 earthquakes.

## Day 11: Christchurch to Fox Glacier

Leaving Christchurch behind, we set off through the majestic Southern Alps to enjoy some of New Zealand's most

jaw-dropping scenery. Along the way you'll visit a jade factory in Hokitika to see the carvers skilfully creating works of art from the iconic Pounamu greenstone.

The visit to Lake Matheson is a highlight of the day where you will hopefully catch a glimpse of New Zealand's two highest peaks reflecting in the lake's waters. You'll spend the night in Fox Glacier

## Day 12: Fox Glacier to Queenstown

Most of the day will be spent in Fox Glacier with the opportunity to do a half-day hike or heli-hike on the glacier- an incredible experience that will live with you forever! Afterwards the amazing scenery will continue as you drive past Thunder Creek Falls, Haast River and Lake Wanaka en-route to the adreniline capital of the world, Queenstown!

## Days 13 to 14: Queenstown

Are you ready for Queenstown? This lively alpine resort on the shores of Lake Wakatipu has loads of extreme activities on offer. Deep breath...horseriding, boat safari, mountain biking, a skyline gondola, a walk to Ben Lomond for 360 degree views or one of the many fantastic walks Queenstown has to offer! Phew! If this is all a bit active for you, there are loads of beautiful spots to relax around the lake, or experience the legendary nightlife in the evenings. Most of the time spent in Queenstown will be free for you to do whatever you fancy!

## Day 15: Queenstown to Fiordland

Get ready for more awe-inspiring scenery as you take on the Fiordland region via Mirror Lakes and Hollyford Valley. This afternoon you're in for a treat with a nature cruise on the stunning Milford Sound- keep your eyes peeled for seals, dolphins and even penguins. Tonight you'll stay in the lakeside village of Te Anau.

## Day 16: Fiordland to Lake Ohau

Journey alongside Lake Wakatipu and stop off in quaint Arrowtown where you'll leave the coach behind for just a little while and use pedal power! Cycle along the willow-lined Arrow River, crossing various bridges along the way before ending up at the famous Kawarau Bridge, home of the world's first commercial Bungy operation. It's then back to the comfort of the coach for more dramatic scenery as you head to your home for the night, a classic Kiwi

lakeside lodge on the shores of Lake Ohau.

## Day 17: Lake Ohau to Christchurch

Hop on board the coach for one last time as you head back to Christchurch where the tour will sadly come to an end. It's not over yet though and there's plenty more to see along the way. You'll stop at Mount Cook Village and Lake Pukaki for some photos and then take a lunch stop on the shores of Lake Tekapo's blue waters. In the afternoon you'll have a Kiwi Farm Experience in Fairlie where you'll learn about life on a sheep farm! From here it's on to the final destination, Christchurch, where the tour will end. The tour usually finishes at about 6:30pm so don't make any onward travel arrangements until after this time.

## Vaccinations & Health

Travel health can often be something people forget about before going away, but a little preparation and knowledge can go a long way to help you stay fit and healthy while abroad. The risks to your health whilst travelling will vary depending on your general health and the type of activities you are going to be partaking in and the length of your stay.

- Always keep your personal items such as passport, money and camera with you and in a safe place. You can buy mini padlocks to prevent people from going into your bag without your permission.
- Don't carry excess amounts of cash
- Wherever possible, walk around in groups, especially after dark, and avoid taking short cuts.
- Do not pick up hitch hikers if you are driving and do not hitch hike yourself.
- When you are out do not leave your drinks unattended, as there have been reports of drinks being spiked

We advise that you check your government's advice before travelling abroad. For UK, American and Australian customers please see the relevant links below;

## ATM Theft

It is very likely that you will need to withdraw cash at some point during your travels. Please be cautious when withdrawing money from an ATM and ensure that you are vigilant of other people near the ATM, especially those that offer unsolicited assistance if your card is detained. It has been recognised that individuals are operating unlawful withdrawals by placing 'traps' in ATMs whereby personal bank cards are being detained, causing the victim to believe their card transaction has not been completed, and leaving their bank card in the ATM which is then later retrieved by the thief.

If your card is confiscated or you are concerned that your card has been tampered with, please report immediately to the bank or cancel your card.
